Subject: Letter of Reference for Iannazzi Electrical Services

To whom it may concern,

As a letter of reference, Iannazzi Electrical Services has provided electrical services on over \$50,000,000 of construction and renovation projects at the Eisai, Inc. pharmaceutical facilities in Andover, Massachusetts since 2003. While the services are often provided as an Eisai preferred subcontract performed under a general construction contractor, Iannazzi Electrical Services has also worked directly with Eisai on small renovation projects and routine electrical maintenance.

Iannazzi Electrical Services has provided excellent management leadership and technical expertise along with consistent and reliable field work. Iannazzi Electrical Services has worked with Eisai in the research laboratories, office areas, server rooms, HVAC mechanical areas and the class 1, division 1 electrical classified areas in the Eisai pilot production plant and on fire protection, Lutron lighting control and security systems.
